A New Christmas Song

Chorus

[F] The joy of Christmas,

[C] A new song to sing

[C] And the Spirit

[G7] It can [C] bring.

[C] Working away at it [C7]

[F] A new song came along,

[G7] I tried my best

As I played with this [C7] song.

[C] It was now Christmas season [C7]

[F] And time to sing about,

[G7] I needed a good new one

That I could sound [C] out.

[C] One that all would join in [C7]

[F] And entertain the crowd,

[G7] One that everyone

Would sing [C] aloud.

[C] The joy of Christmas [C7]

[F] And the songs it can bring,

[G7] When all join in

As Christmas bells [C] ring.

Another Christmas Day

Chorus

[D] Christmas Time

[G] Joy and happiness

[A7] It's so wonderful

What Santa does [D] bring.

[G] Plenty of excitement

[C] It's coming our way

[D7] We soon will see

Another Christmas [G] Day.

[G] I feel it in the air

[C] There's joy coming our way

[D7] Santa will be coming here

With his Reindeer and [G] sleigh.

[G] So many do sing

[C] Christmas carols to hear)

[D7] Sounding out about

Loud and [G] clear.

[G] Sing it all out

[C] Bells do ring

[D7] Such joy and happiness

It all does [G] bring.

Christmas Happiness

Chorus

All get at it
Sing away,
Sing Carols
On Christmas Day.

Christmas is here
It's in the air,
Sing a melody,
Show that you do care.

So nice to hear
Carols do come along,
Bells do sound out
Another Christmas song.

All get at it
And do your best,
All join in
Sing with the rest.

The Chill of Winter

Chorus:

[D] Good and bad

[G] Days up ahead

[A7] We face the chill

Of winter [D] instead

[G] The days do go by

[C] It will soon be fall

[D7] Our beautiful summer

We've seen it [G] all

[G] Now comes the chill

[C] The air is cooler

[D7] The autumn breezes blow

Winter winds will be [G] crueller

[G] I'll take it as it comes

[C] Days good and bad

[D7] There's always good points

To keep me [G] glad

[G] There'll be surprises too

[C] With Christmas and Santa Claus

[D7] And all the visits

With the in [G] laws

Out and About

Chorus:

[F] Walking slowly along

[C] In the out of doors

[C7] Next on the scene

[G7] All the Christmas [C] lures

[C] Out and about [C7]

[F] Walking slowly along

[G7] Trying to come up with

Some kind of a [C] song

[C] A song that is happy [C7]

[F] Brings on a good mood

[G7] One you like to sing

And is not [C] crude

[C] The fall can be rough [C7]

[F] There's wind around

[G7] But at the least

Your feet are solid on the [C] ground

[C] Soon you'll be jolly [C7]

[F] Christmas will be here

[G7] Santa Claus will show up

All jolly with his [C] reindeer

Christmas Time

Chorus:

[D] Christmas is here

[G] We installed the tree

[A7] Lots about Christmas

To feel and [D] see

[G] My mind is on it

[C] What Christmas should be

[D7] Both around and under

That decorated Christmas [G] tree

[G] There'll be a star at the top

[C] And many ornaments around

[D7] To go along with

Christmas carols that [G] sound

[G] There will be joy

[C] In the festive air

[D7] For those reindeer and Santa

I do so [G] care

[G] Oh yes, I'll hear Christmas carols

[C] Down along the street

[D7] And hope to see reindeer

Prancing about on their [G] feet

Christmas

Chorus:

[D] A special holiday

[G] Christmas is here

[A7] With Christmas carols

And the busy [D] reindeer

[G] What a special occasion!

[C] It's that time of year

[D7] It has arrived again

The festive season is [G] here

[G] We're all so happy

[C] Christmas is a holiday

[D7] It's so good

To be able to play [G] away

[G] We'll see Santa Claus

[C] He'll have his sleigh

[D7] And the bells on the reindeer

Will jingle [G] away

[G] Topping it all off

[C] There'll be Christmas cake

[D7] After all the food

That you just [G] ate

The Snow Came Down

Chorus

[F] Yes, Jingle Bells

[C] And Merry Christmas to

[C7] Just what else

[G7] Was I supposed to [C] do

[Am] So, the snow came down

[Em] It covered all around

[C7] It did not make

[G7] The least tiny [C] sound

[Am] Yes, winter was here

[Em] That one could see

[C7] This is now what

[G7] The weather would [C] be

[Am] Such a change from summer

[Em] When the birds flutter by

[C7] Now at this time

[G7] You could not see the [C] Sky

[Am] I just buckled up

[Em] Kept my winter clothes on

[C7] And did my best

[G7] To sing a Santa Claus [C] song

Down the Road

Chorus

[F] Christmas is coming

[C] Hope in the land

[C7] Santa will be at it

[G7] Celebrations will be [C] grand

[Am] There's frost on the windows

[Em] Snowflakes in the air

[C7] Down the road Christmas is coming

[G7] That's in old Saint Nick's [C] care

[Am] So much has to happen

[Em] The sleigh to be overhauled

[C7] And the reindeer to be readied

[G7] So many Christmas trees [C] installed

[Am] Then there are Christmas carols

[Em] That will be sung in celebration

[C7] Bells will sound out

[G7] Happiness in this [C] creation

[Am] There's hope in the land

[Em] And Christmas presents wrapped

[C7] We most certainly

[G7] Can expect a cold [C] snap

Santa Will Show

Chorus

[D] Christmas is coming

[G] Presents and trees

[A7] Bells ringing

We are so [D] pleased

[G] Christmas is coming

[C] Doing what I can

[D7] To feel good

And be happy in this [G] land

[G] All dressed in red

[C] Santa Claus will show

[D7] Moving those presents

With his sleigh in the [G] snow

[G] Christmas trees and presents

[C] Brighten up the scene

[D7] All so wonderful

Just like in a [G] dream

[G] So much comes into play

[C] There's joy around

[D7] Bells will be ringing

We hear them [G] sound

Christmas is Underway

Chorus

[D] Christmas again

[G] Through the land

[A7] Be part of it

Sing if you [D] can

[G] Here we are again

[C] Christmas time is here

[D7] Celebrations going on

Far and [G] near

[G] Santa and his reindeer

[C] Will soon show

[D7] After that long trip

Through the [G] snow

[G] There'll be bells ringing

[C] In the night and day

[D7] Letting everyone know

Christmas is under [G] way

[G] 'Tis a happy, happy time

[C] As choirs sing away

[D7] Be part of it

Listen to what they [G] say

That Winter Season

Chorus

[F] Summer is gone

[C] Frost is here

[C7] That winter season

[G7] Is getting [C] near

[Am] I took a walk outside

[Em] And realized the changes

[C7] That nature brings on

[G7] And slowly [C] arranges

[Am] The fall colours are here

[Em] There is some frost

[C7] Those nice summer days

[G7] Are gone and [C] lost

[Am] Things are more serious

[Em] We have to get concerned

[C7] The cold is coming on

[G7] Heavier clothes will be [C] worn

[Am] Yes, do dress up

[Em] This is the way

[C7] That winter season

[G7] We face day by [C] day

Santa Is So Busy

Chorus

[F] Yes Santa is coming

[C] He has his sleigh

[G7] He knows

[C] the way.

[Am] Santa is busy now

[Em] He knows time is slipping by

[C7] He has to get ready

[G7] The festive season is [C] why.

[Am] Yes Christmas Time again

[Em] Is approaching fast

[C7] So many things to do

[G7] As he has done in the [C] past.

[Am] Number one is the sleigh

[Em] And then those Reindeer

[C7] Will have to be ready

[G7] As Christmas does [C7] appear.

[Am] He'll surprise families

[Em] There's gifts for all

[C7] He has a plan

[G] He'll meet the [C] call.

Big expectations

Chorus

[D] Santa Claus for sure

[G] Is on his way

[A] People are celebrating

Happily sing and [D] play.

[G] That snow has been falling

[C] Winter is now underway

[D7] There are presents to deliver

And Santa is ready with his [G] sleigh.

[G] So many plans there are

[C] So much to do and see

[D7] Santa will make sure

Presents are under the [G] tree.

[G] The Reindeer are anxious

[C] To get on their way

[D7] So many people celebrating

They have lots to sing and [G] say.

[G] So much joy is felt

[C] Christmas bells will ring

[D7] And big expectations

bout what Santa will [G] bring

About Maxton Lloyd Juby

Max Juby was born in 1931 on a Quebec farm and is a graduate of McGill University. In his professional life he has been a gold prospector and geophysicist and explored, traveled, and lived in many small towns (and in the bush) across Canada working mostly for mining entrepreneur Pat Sheridan, Sr. At 37, Max married an Italian widow in Red Lake who had three children and they had one more together. They travelled and lived in many places in Canada, the US and Europe with Max's work and are now retired in Montreal. In 1979, Max discovered his writing bug and has written over 800 poems, some published on Poetry.com and some compiled in 12 books, and has written and sung over 180 songs (and some jingles). Today, he is 90 years old and still prolifically producing new works.
